To Mr. Alan Ramm We Dedicate Prospectus '74

If there was ever a person who could serve as a definition of the word dedication, it would be Mr. Ramm. His love of teaching is shown to everyone of his students through his great enthusiasm. For his attitude and total dedication to the profession of teaching, we dedicate Prospectus '74 to him, Mr. Alan Ramm.

Mr. Ramm received his B.S. degree from Buffalo State Teacher's College and has taken graduate study in a number of places, including France and England. Most recently he has taken study at the Potsdam and Hofstra Universities.

He has taught in a number of places. At times during his Army service he tutored in foreign countries. He also taught in Ripley for two years before coming to us in 1948.

While his main subject has been social studies, he has also taught humanities and psychology. He was director of adult education for a time, has been the Junior class advisor for several years, taught a summer humanities class, and was the advisor for the It's Academic—High Q team.

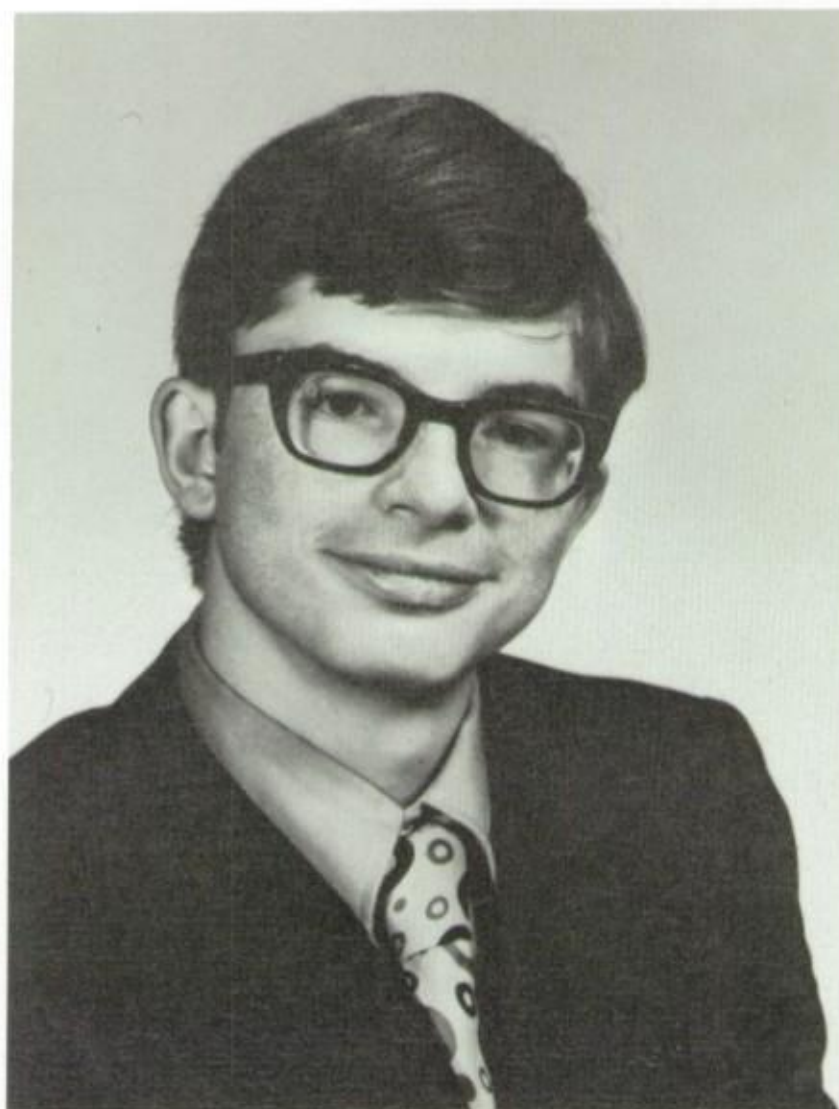

He and his wife, Violette, have five children: Alan Jr., Nona, Bob, Jeff and Bruce.

We wish him the best of luck in his future years of teaching, and would like to say a long overdue thank you for his many contributions to the community. Especially for the lives of the many students whom he has touched during his career.

Senior Power!

AFS Exchange Student Is Maarit Turta from Finland

Maarit Turto was the AFS Exchange Student for the 1973-1974 school year. She made her home in Westfield with the Ralph Wilson family. She enjoys speaking to groups about her hometown of Amassari, Finland, which is located in Central Finland. She participated in many Senior activities—such as the Senior play and the Senior week. She was a member of the Senior Band and the Marching Wolverines. Maarit has been the first exchange student to come from a Scandinavian country. It has been a real pleasure to have her here, and we will miss her, but we hope she'll be back to see us again soon.

Hard work was part of Maarit's American experience.

Maarit was a welcome member of the band.

Editors

Left to Right: Sue McMahon—Jr. Editor, Kim Beckman—Editor, Lori Morse—Asst. Jr. Editor.

It is hard to appreciate all the time and effort it took to produce what we hope is a really great yearbook. The staff members and editors spent countless hours planning and replanning in an effort to produce something new and different. Help came from outside the school also. The Westfield Republican and Bill Wasmund were both very generous in supplying us with many needed photographs. There are two people who gave more time than was ever expected of them. They are Mrs. Jones, our advisor, and Sue McMahon, my junior editor. Without anyone of these people this book would never have been possible. To you all, thank you for a job more than well done!

Don't forget all the good wrestling matches not even the bad ones. Remember Fredonia and McDonald's. And Don't ever forget Buffalo getting lost and everything. It was lots of fun. I really enjoyed it even if we didn't get any doughnut. Stay as sweet as you are and don't do any thing I wouldn't do. And keep "Grinner"

In Closing . . .

If there is righteousness in the heart,
there will be beauty in the character.

If there be beauty in the character,
there will be harmony in the home.

If there is harmony in the home,
there will be order in the nation.

When there is order in the nation,
there will be peace in the world.

take care, and don't do any-
